## Demonstrate first attack fire fighting CPPFES2005A

### Description

This program is designed to provide learners with the knowledge and skills required to use portable fire extinguishers, fire blankets and hose reels to provide initial control of small fires.

### Course Content

- Fire response procedure
- Types of firefighting equipment
- Causes and types of fire
- Select, check and use firefighting equipment
- Use hose reels and fire blankets
- Manage equipment after use

### Prerequisites

There are no specific pre-requisites for this course although learners should ensure they do not suffer from a medical condition which could be aggravated by physical or psychological stress and must be over 18 years of age.

### Assessment

The theory assessment consists of multiple choice and short answer questions.

The practical assessment will require Learners to demonstrate correct use of fire extinguishers (different types), hose reel and fire blankets to extinguish simulated fires.

### Language, Literacy and Numeracy

There are specific language, literacy and numeracy requirements for some of content of this course, to be deemed competent learners must be able to:

- Read and correctly instructions on firefighting equipment
- Speak clearly and unambiguously in English
- Explain, describe and verify sometimes complex needs and issues

Writing is required to the level of completing workplace forms.
